

20W PD Fast Charger

Model: EGA HC5008

Wide compatibility

Mini portable

Safe charging

Type-C

Charging is not as fast as power consumption?

PD20W high-energy output, laptop mobile phone power quickly recharged, charging everything fast

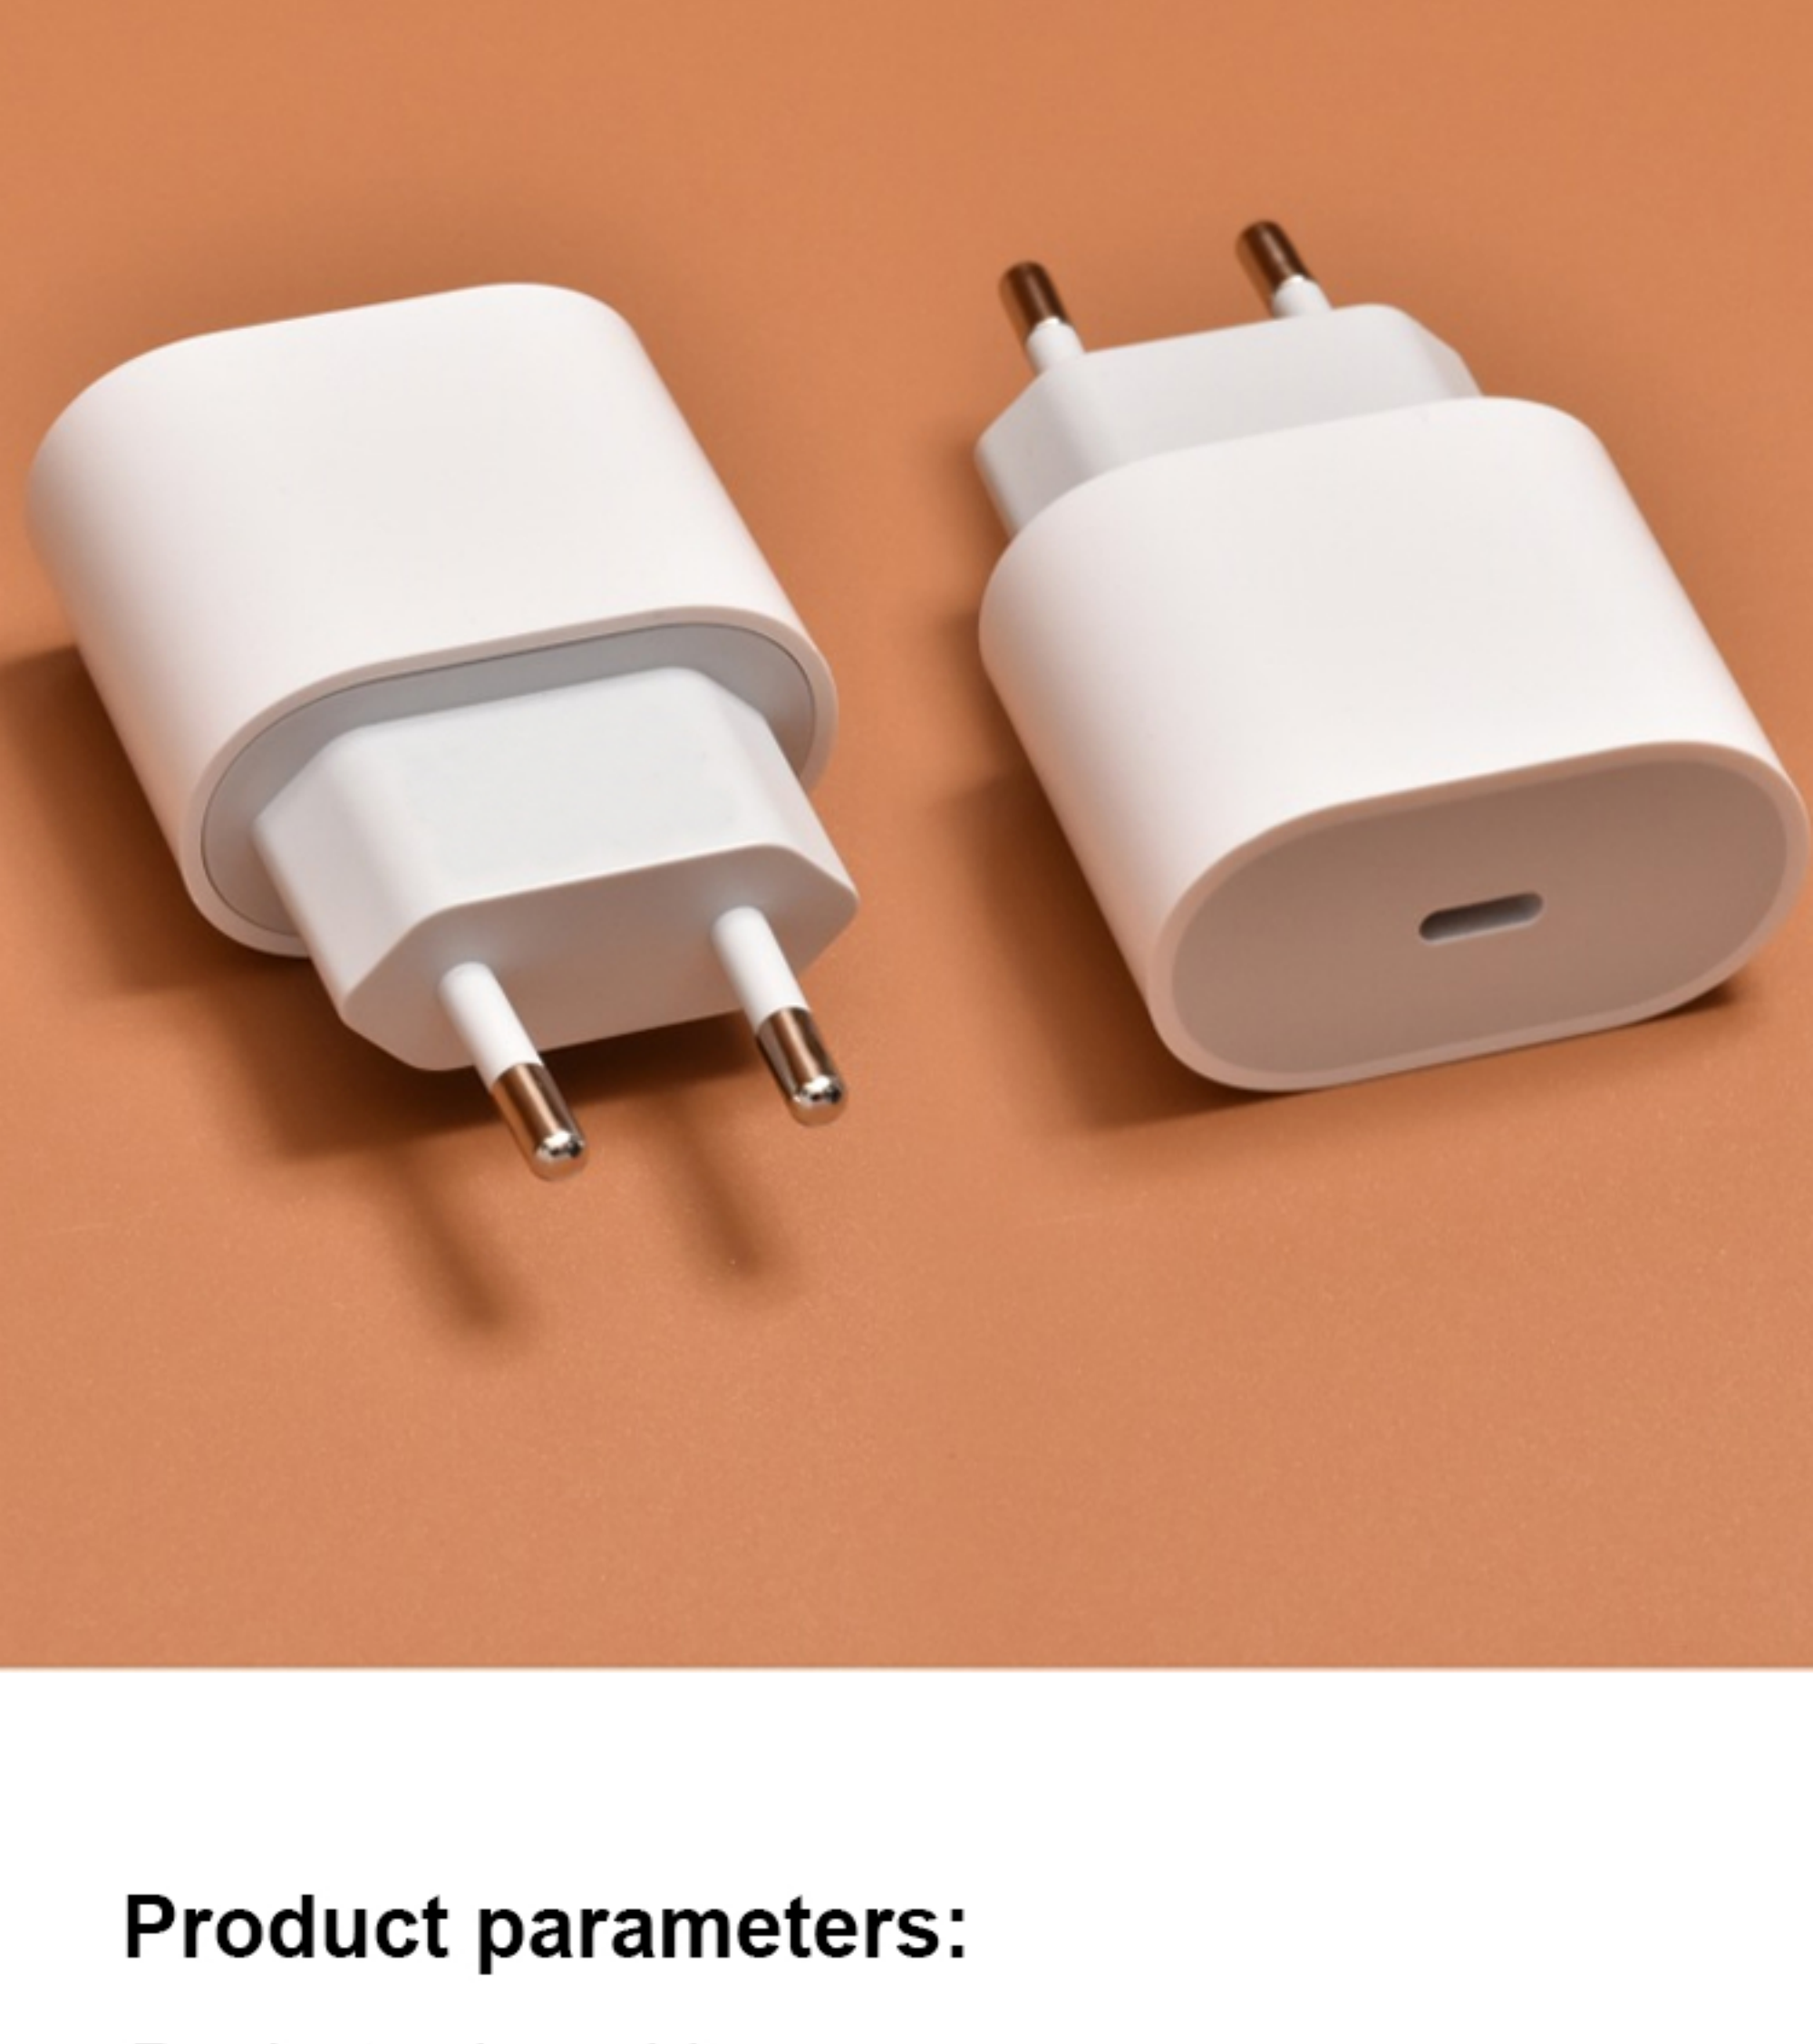

Broadband Voltage Design

100-240V Power Supply Voltage

Smart compatible Apple and Android can be used

It is enough to buy this one for the charger

Product parameters:

Product color: white

Input voltage: AC 100-240V 50-60Hz

Output voltage: DC 5V3A 9V2.22A 12V1.5A Max

Output power: 20W

Work efficiency: 85%

Voltage adjustment rate: 5%

Working temperature: 0-50°C
