

35W PD Fast Charger

Model: EGA HC5008

Wide compatibility

Mini portable

Safe charging

Dual Type-C

Dynamic allocation of true fast charging

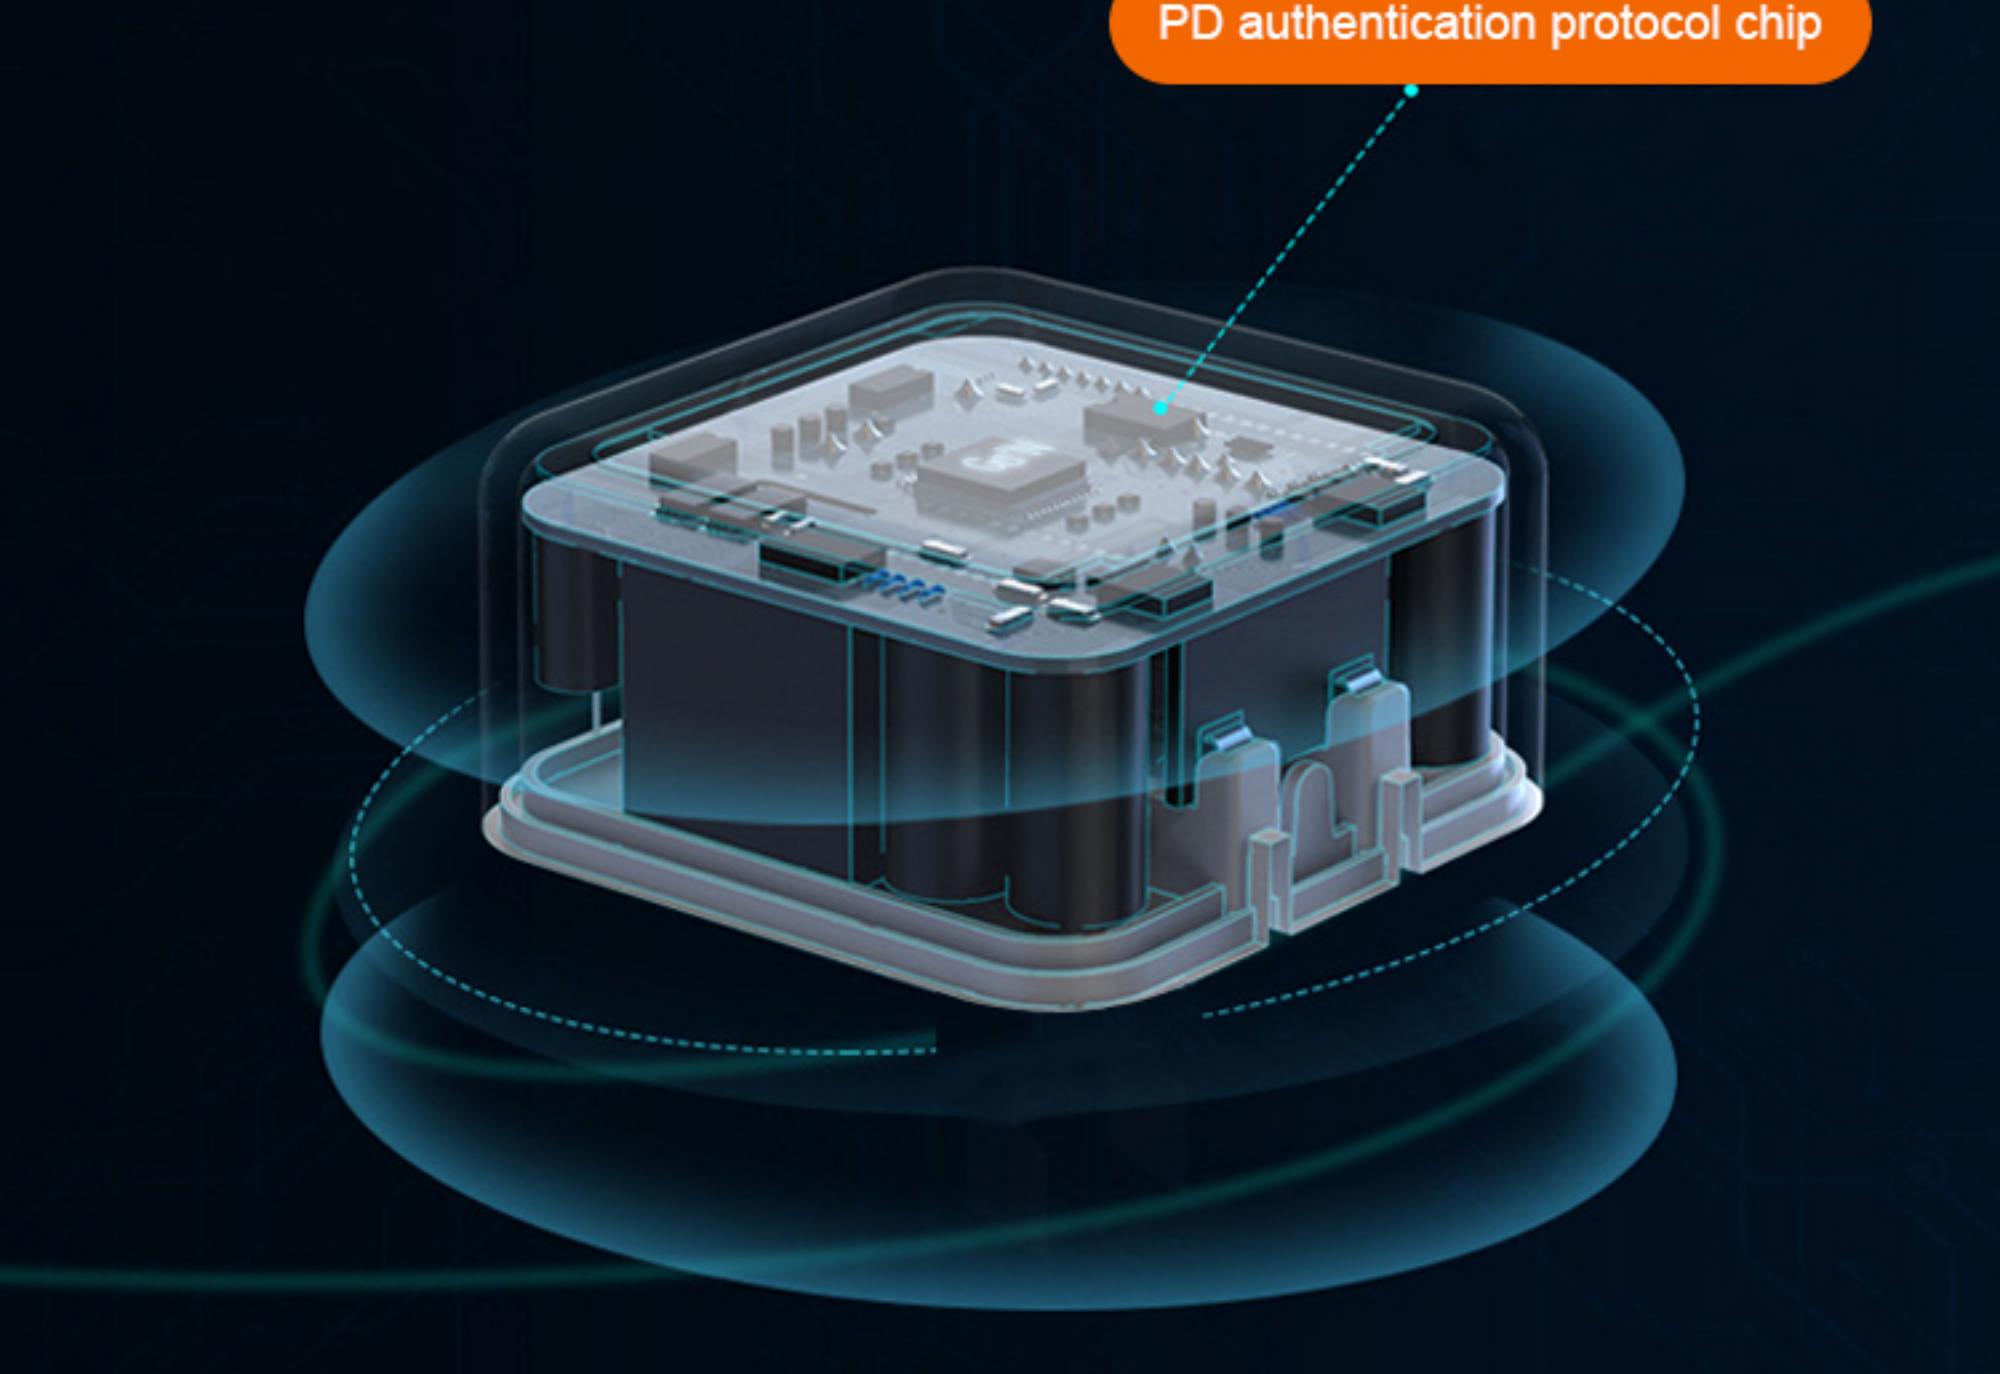

Double C plugged in together, dynamic distribution has fast charging

PD authentication protocol chip security does not hurt the mobile phone

Equipped with TID certified PD fast charging protocol intelligent identification device, does not hurt the mobile phone

PD authentication protocol chip

Product parameters:

Product color: white

Input voltage: AC 110-240V 50-60Hz

Output:

USB-C1: 5V3A, 9V3A, 12V3A, 15V2.4A, 20V1.8A

USB-C2: 5V3A, 9V3A, 12V3A, 15V2.4A, 20V1.8A

USB-C1+USB-C2=36W

USB-C1/USB-C2: 5V3A, 9V2A, 12V1.5A

Output power: 35W

Work efficiency: 85%

Voltage adjustment rate: 5%

Working temperature: 0-50°C
